

Prior Authorization (PA) and Referral Requirements for Covered Services for BMC HealthNet Plan Managed Care Organization Plan (MCO Plan) Members with MassHealth Standard or CommonHealth Coverage

This is a list of Prior Authorization and/or Referral requirements for all covered services and benefits for MassHealth Standard and CommonHealth members enrolled in all BMC HealthNet Plan MCO Plans (MCO Plan).

We will coordinate all covered services listed below. It is your responsibility to always carry your MCO Plan Member ID Card **and** your MassHealth identification cards and show them to your providers at all appointments.

You can call BMC HealthNet Plan’s Member Service Department for more information about services and benefits. Please see the telephone number and hours of operation for our Member Service Department at the bottom of every page of this document.

If you have questions about	Please call
Medical Services	BMC HealthNet Plan’s Member Services Department at 1-800-566-0010 (English/other languages), 888-566-0012 (Spanish) or TTY: 711 for people with partial or total hearing loss. See below for hours of operation.
Behavioral Health Services	Beacon Health Strategies (Beacon) at 1-888-217-3501 or TTY: 866-727-9441 for people with partial or total hearing loss.
Pharmacy Services	<p>For general pharmacy questions:</p> <ul style="list-style-type: none"> • Call Express Scripts: 888-566-0010 • For hearing impaired: 711 • Hours: 24 hours a day, seven days a week. <p>For mail order pharmacy questions by phone:</p> <ul style="list-style-type: none"> • Call Cornerstone Health Solution (Cornerstone) at 844-319-7588 • For hearing impaired: 711 • 711(TTY/TDD) • Hours: Monday through Friday 7 a.m. to 6 p.m. ET • Please see pg. 15 of your handbook for other ways you can address your mail order questions. <p>Also, you may go to BMC HealthNet Plan MCO’s Drug List at www.bmchp.org.</p>
Dental Services	DentaQuest Customer Service at 1-800-207-5019 or TTY at 1-800-466-.7566 or Translation Line at 1-800-207-5019. Hours: 8am to 6pm, Monday–Friday.

In the chart below, if the column under “**Prior Authorization Required for Some or All of the Services**” is marked “**Yes,**” some or all of these services need Prior Authorization (PA) before you receive these services. Your provider will work with us to request a PA. If the column under “**Primary Care Provider (PCP) Referral Required for Some or All of the Services?**” is marked “**Yes,**” then some or all of these services require a referral from your PCP before you receive these services.

Note: Certain Network Providers may not provide all covered services due to religious or other reasons. Please call our Member Services Department if you need help identifying a Network Provider for these services.

BMC HealthNet Plan Member Services Department
 Phone: 888-566-0010 (English/other languages); 888-566-0012 (Spanish)
 For hearing impaired: 711
 Hours: Monday–Friday 8 a.m. to 6 p.m.

Note: List is effective 1/1/20.

Please keep in mind that services and benefits change from time to time. This Prior Authorization (PA) and/or Referral Requirements for covered services listing is for your general information only. Please call our Member Services Department for the most up-to-date information. MassHealth regulations control the services and benefits available to you. To access MassHealth regulations:

- Go to MassHealth's Web site www.mass.gov/masshealth; or
- Call MassHealth Customer Service at 1-800-841-2900 (TTY: 1-800-497-4648 for people with partial or total hearing loss) Monday through Friday from 8:00 a.m.–5:00 p.m.

The services in the grid below that are marked with an asterisk () are covered directly by MassHealth and may require prior authorization by them. However, we will assist in the coordination of these services.

1. **Cosmetic surgery**, except as determined by BMC HealthNet Plan to be necessary for:
 - a. correction or repair of damage following an injury or illness; b. mammoplasty following a mastectomy; or c. any other Medical Necessity as determined by BMC HealthNet Plan. All such services determined by BMC HealthNet Plan to be Medically Necessary shall constitute a BMC HealthNet Plan Covered Service. **Specific cosmetic exclusions include:**
 - **Dermabrasion (procedures used to improve scarred facial skin or smooth facial wrinkles);** acne related services, such as the removal of acne cysts or injections to raise acne scars; treatment of vitiligo (white patches) or melasma (brown spots); or removal of skin tags.
 - **Hair removal (using electrolysis or other methods); wigs** (except as covered for members with cancer); or hair restoration.
 - **Laser Surgery of the eye for the purposes of correcting vision** when conditions such as myopia (nearsightedness), hyperopia (farsightedness), or astigmatism (blurred vision) can be corrected by means other than surgery. These procedures are referred to as refractive eye surgery (and include laser surgery, radial keratotomy, and orthokeratology).
2. **Treatment for infertility, including but not limited to in-vitro fertilization and gamete intrafallopian tube (GIFT) procedures.**
 - **Services performed solely to diagnose or treat people who are unable to get pregnant through natural methods.** Examples are: diagnostic procedures and tests; oral and injectable drug therapies; artificial insemination of any type; in-vitro fertilization; gamete intra-fallopian transfer; zygote intra-fallopian transfer; intracytoplasmic sperm injection; and banking, obtaining and processing of sperm, egg, or embryos—whether associated with active or future infertility treatment. Also excluded: reversal of voluntary sterilization; and costs related to achieving pregnancy through a surrogate.
3. **Experimental treatments.**
4. **Personal comfort items** including air conditioners, radios, telephones, and televisions.
5. **Services provided for any of the following reasons:** only for your convenience, personal, or environmental comfort; to support your religious preference; to improve performance in sports or exercise activities; to promote a desired lifestyle; or to improve your appearance or your feelings about your appearance.
6. **A service or supply which is not provided by a Network Provider, except for:**
 - Emergency Services;
 - Family Planning Services; and
 - Services provided to newborns during the period prior to notification of the newborn's enrollment by the Executive Office of Health and Human Services
7. **Non-covered laboratory services.**
 - **Maternity or paternity testing** for any reason.
 - **Tests performed only for purposes** of civil, criminal, administrative, or social service agency investigations, proceedings, or monitoring activities. Examples include: forensic exams, autopsy (services performed after death) services, and related labs.
8. **Services provided outside the United States and its territories.**
9. **Services not otherwise covered by MassHealth, except as determined by BMC HealthNet Plan to be Medically Necessary for MassHealth Standard and CommonHealth Members under age 21.**
10. **Health care services, supplies, equipment, or drugs related to or provided in support of a non-covered service. Note: an exception applies for covered clinical trials.**

11. Services that are not Medically Necessary. Services that do not meet our Medical Necessity definition or our clinical criteria.

- **Safety Items:** Safety items that are NOT a Medically Necessary component of a BMC HealthNet Plan Authorized corrective or restorative treatment program, or safety items not needed to treat a disease or medical condition. Examples are: door alarms, protective beds or bedding, medical bracelets, and weighted blankets.
- **Devices:** Devices that are NOT a Medically Necessary component of a BMC HealthNet Plan Authorized corrective or restorative treatment program. Examples of devices not covered include reaching/grabbing devices not a component of an Authorized treatment plan, arch supports (for non-diabetic or vascular condition), computers, computer communication devices, computer software, telephones, radios, televisions, and personal care items/services such as elevators, room humidifiers, air conditioners, or purifiers.

12. Services you are not legally required to pay for, or services for which you would not be charged if you didn't have health coverage. (Example: State-funded vaccines)

13. Services required by a third party (such as an employer, insurance company, licensing organization/agency, school, or court) that are not otherwise Medically Necessary. Examples are: exams and tests required for recreational activities, employment, or college; court-ordered exams; evaluations for job purposes; vocational rehabilitation services; job placement services; or therapy to restore function for a specific occupation.

14. Non-medical services. Examples are: athletic training evaluations; community work integration training; education in patient self-management; court testimony; and educational supplies (such as books, tapes, and pamphlets).

15. Blood and blood products, storage, blood bank services, blood processing and storage, frozen plasma, plasma thawing services, and irradiation of blood.

16. Services for Non-Members: Services for non-members. Example: **Harvesting of a human organ transplant donor's organ or stem cells when the recipient is not a Member.** ("Harvesting" means removing tissue, organs, or specimens from a donor for re-use in transplant surgery.)

- Note: BMC HealthNet Plan covers services given to a non-member: when related directly to a covered human organ transplant when the organ recipient is a Member; and for covered Hospice (care for the terminally ill) counseling services related to mourning the death of a family member.

17. Services for which there is a less intensive level of service, or more cost-effective alternative that can be safely and effectively provided, or if the service, supply, or medication can be safely and effectively provided to you in a less intensive setting. Example: services in an acute Inpatient setting when your condition could be safely and effectively provided in a skilled nursing facility.

18. Special Clothing, except for the following special clothing, which is covered when Medically Necessary: gradient pressure support aids for lymphedema or venous disease (support stockings); clothing needed to wear a covered device (for example, mastectomy bras and stump socks); and therapeutic/molded shoes and shoe inserts for Members with severe diabetic foot disease.

19. Some alternative or complementary medicine services: Examples include:

- **Whole Medicine Systems:** Medicine based on theory and practice. Examples are: homeopathic and naturopathic medicine, and traditional Chinese medicine such as acupuncture and Ayurveda. (Note: acupuncture is covered for Members who have it listed in their Covered Services List; and for all Members as part of Medically Necessary covered substance abuse treatment.)
- **Mind Body Medicine:** Methods designed to improve the mind's ability to affect bodily function and symptoms. Examples are: biofeedback (except for treatment of urinary incontinence), hypnotherapy/hypnosis; meditation; prayer; mental healing; and therapies that use creative outlets such as art, music, or dance.
- **Substances that are found in nature.** Examples are: herbal products, vitamins, and dietary supplements. Note: prenatal vitamins are covered when prescribed by a Network Provider.

- **Manipulative and Body Based Practices:** Methods involving manipulating or moving one or more parts of the body. Examples are: massage, myotherapy, craniosacral therapy, osteopathic manipulation, hippotherapy (water therapy), yoga, and reflexology.
- **Energy Medicine:** Methods involving use of energy fields. Examples are: Reiki, therapeutic touch, pulsed fields, magnetic fields (with the exception of Repetitive Transcranial Magnetic Stimulation (rTMS) as noted above), electromagnetic, or alternating-current or direct-current fields.

20. Relaxation therapies; massage therapies; holistic treatments; treatment at sports medicine clinics; and any related diagnostic services.

21. Chiropractic treatments beyond the 20 visits allowed during a Benefit Year.

22. Weight-Related Services/Equipment: Commercial diet plans, weight loss or weight control programs and clinics, food programs, or the purchase or rental of exercise equipment, personal trainer services, and any services related to any of these.

23. Provider and Facility charges, including:

- **Observation Services:** Observation services, including but not limited to: a. services that are not reasonable or necessary for the diagnosis or treatment of the Member; and b. routine preparation and recovery services associated with diagnostic testing or outpatient surgery.
- **Private Room Charges:** Charges greater than the rate for a semi-private room (except when a private room is Medically Necessary)
- **Leave of absence charges while an Inpatient in an acute care facility.** These are charges incurred because the patient is not present at the midnight census/attendance taking time.

24. The following mental health/substance abuse-related services are excluded:

- **Job-related rehabilitation services.** These are services to help people with disabilities prepare and look for a job.
- **Sheltered workshops.** These are vocational counseling and training programs in which participants receive paid work experience or other supervised employment.
- **Recreational services.**
Note: play therapy, which is the use of play activities with a child in an identified treatment setting as an alternative to strictly verbal expression of conflicts and feelings, is not considered a recreational service and is covered.
- **Life-enrichment services.** These are ego-enhancing services such as workshops or educational courses provided to functioning persons in need of self-esteem improvement.
- **Non-medical services,** such as social, educational, and job related services.
- **Alcohol or drug drop-in centers.**

25. Pharmacy Exclusions. The following drugs are not Covered Service:

- Drugs used primarily for cosmetic purposes. Examples are: all topical hydroquinone products, Benoquin®, and Solage®. MassHealth does not pay for any drug used for cosmetic purposes or for hair growth. Examples include: Rogaine®, Avage®, Propecia®, Renova®, Vaniqa®, and TriLuma®.
- Cough and Cold. MassHealth does not pay for any drugs used solely for the symptomatic relief of cough or colds, including but not limited to, those that contain an antitussive or expectorant as a major ingredient, unless dispensed to a Member who is a resident in a nursing facility or an intermediate care facility for the mentally retarded (ICF/MR).
- Drugs for the treatment of infertility (to help a person become pregnant). MassHealth does not pay for any drug used to promote male or female fertility.
- Weight loss medications. Any drug used to treat obesity. MassHealth does not pay for any drug used for the treatment of obesity.
- Less-Than-Effective Drugs. MassHealth does not pay for any drug products (including identical, similar, or related drug products) that have been deemed less-than-effective by the U.S. Food and Drug Administration. These are sometimes called DESI drugs. Examples include: Midrin®,

Duradrin®, Estratest®, and hydrocortisone rectal suppositories. For a complete list of DESI drugs please visit: http://www.cms.hhs.gov/MedicaidDrugRebateProgram/12_LTEIRSDrugs.asp.

- Experimental and Investigational Drugs. MassHealth does not pay for any drug that is experimental, medically unproven, or investigational in nature or has not been approved by the U.S. Food and Drug Administration. Examples are: herbal and/or alternative medications and medical foods that require a prescription; Atopiclair®; Udamin®/Udamin SP®, and Foltx®.
- Drugs for Sexual Dysfunction. MassHealth does not pay for any drug when used for the treatment of male or female sexual dysfunction. Examples are: Viagra®, Cialis®, Levitra®, Yohimbine, Caverject®, Edex®, or Muse®.
- Drugs that are not prescribed to treat an illness, injury, or pregnancy, or for preventive care purposes.
- Prescriptions filled at non-Network pharmacies, except in cases of Emergency care, or Urgent Care when you are temporarily traveling within the U.S. or its territories.
- All over-the-counter drugs that are not listed on BMC HealthNet Plan's over-the-counter Drug List.
- All over-the-counter drugs listed on BMC HealthNet Plan's over-the-counter Drug List for which your Provider has not given you a prescription that meets all legal requirements for a prescription.
