

BEACON HEALTH OPTIONS

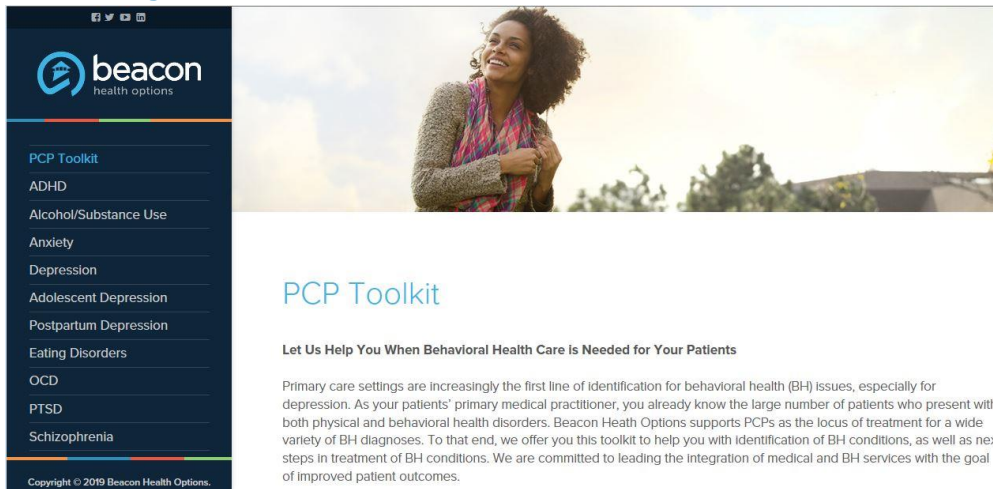

Beacon works with PCPs through information sharing and support so that they have the tools and resources they need to successfully treat their patients.

PCPs can easily access the PCP toolkit via Beacon’s website:

1. Navigate to www.beaconhealthoptions.com
2. Click on “Providers”
3. Click on PCP toolkit

The PCP toolkit homepage provides general information about Beacon support for PCPs in addressing behavioral health issues:

With one call to Beacon at 1-855-856-0582, Providers can:

- Get information on behavioral health benefits and services
- Locate behavioral health providers
- Get help making a routine appointment.
- Make an urgent appointment
- Obtain crisis support
