The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit

www.bmchp.org or by calling1-855-833-8120. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other <u>underlined</u> terms, see the Glossary. You can view the Glossary at <u>https://www.healthcare.gov/sbc-glossary</u> or call 1-855-833-8120 to request a copy.

| Important Questions   | Answers   | Why This Matters:   |
|---|---|---|
| What is the overall<br><u>deductible</u> ?                                | <b>\$3,200</b> Individual / <b>\$6,400</b> Family   | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services<br>covered before you meet<br>your <u>deductible</u> ? | Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount.<br>But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive</u><br><u>services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered<br><u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u>   |
| Are there other<br>deductibles<br>for specific<br>services?               | Yes, for pediatric Dental Type II<br>and Type III services ONLY, <b>\$50</b><br>per individual  | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ?   | <b>\$7,050</b> Individual / <b>\$14,100</b> Family  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the <u>out-of-pocket limit</u> ?                  | Premiums, balance-billed charges,<br>and health care this plan doesn't<br>cover.  | Even though you pay these expenses, they don't count toward the out-of-pocket limit   |
| Will you pay less if you<br>use a <u>network provider</u> ?               | Yes. See<br>https://www.bmchp.org/Provider-<br>Search/Qualified-Health-Plan<br>or call 1-855-833-8120 for a list of<br>network providers. | This <u>plan</u> uses a <u>provider</u> <u>network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's</u> <u>network</u> .<br>You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance</u> <u>billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?                | No.   | You can see the <u>network specialist</u> you chose without a <u>referral</u> .   |

All <u>copayment</u> and <u>coinsurance</u> costs shown in this chart are after your <u>deductible</u> has been met, if a <u>deductible</u> applies.
